

# REGISTER TODAY!

ALL parishioners are asked to complete a NEW registration form...even if you have been registered here at St. Philip Neri for years.

## 7 Awesome Reasons why it is important that you complete a new registration?

7. We will have updated information on you and your family in order to better serve your ministry needs.
6. We will be able to quickly identify you as a registered parishioner in our new computer system when you need immediate service, (i.e. emergencies, funeral requests, etc.).
5. We will be able to better streamline our communications with you according to the age brackets of your household.
4. When requesting Sacraments (i.e. baptism, confirmation, marriage, etc.) we will have your registration already on file. Parishioners are asked to be registered at least six months prior to Sacraments.
3. Our Religious Education programs will be able to better identify the various grade levels and age brackets for planning and providing resources.
2. Our Catholic Youth Organization CYO will be able to better identify the youth for planning future events and resources.

AND, THE NUMBER ONE REASON.....

1. Well.....just because we love you and claim you and hope that you love us and claim us too!

All completed Registration Forms can be placed in the Box near the Main Entrance Door to the Church, dropped off at the office, placed in our office mailbox on 7<sup>th</sup> Street, faxed or mailed to us.
